General

CCC is committed to ensuring accessibility for people with disabilities by creating a framework which

as required.

The following snapshot summarizes our progress during 2023:

Section 5 Accessibility Canada Act

1. Employment

The public and CCC employees may access as well as that CCC also makes its job offer Accessibility Plan has been published externally on our web site as well as internally

CCC will be moving in mid-

Internally CCC has already consulted with Employees with Disabilities and has received their feedback. The Public has a mechanism to provide input through web, email, phone and mail and feedback from suppliers will be sought during the annual Client Survey which will take place in 2024.

Employees who have not self-identified as disabled are aware of the feedback mechanisms (Supervisor, DEI Committee, Union if applicable or Director of HR) and so far no requests, comments or concerns have been received.
